NOTICE

The following symbols have been used throughout:

The symbol of dash (-) in place of a figure indicates that the phenomenon did not occur.

The symbol of dot (.) shows that the figure is not available or cannot be relied on.

The symbol of small cross (x) shows that the figure is not applicable.

The symbol of zero (0) in a table designates figures smaller than half of the unit of measure chosen.

Where the sum of figures in the structure does not produce 100% precisely the PC program made a mistake in rounding.

Compared with previous publications a change of values in older data owing to harmonisation of methodology may occur.
