The Czech Statistical Office (CZSO) had the honour to host the **5th European Forum for Geostatistics (EFGS) 2012 Conference**, which took place **from 24 to 26 October 2012** in the Czech Association of Scientific and Technical Societies headquarters in the historical centre of **Prague, Czech Republic**. The conference was organised by the European Forum for Geostatistics and the Czech Statistical Office. More information available at: <http://www.czso.cz/efgs/efgs2012.nsf/i/home>.

The Czech Statistical Office has organized also the **International Marketing and Output Database Conference (IMAODBC) 2012**, which was held at the Conference Centre of the Průhonice Chateau, **Prague, Czech Republic, from 8 to 12 October 2012**.

The **New Techniques and Technologies for Statistics Conference (NTTS) 2013** will take place **from 5 to 7 March 2013 in Brussels, Belgium**, organised by Eurostat. More information available at: <http://www.ntts2013.eu>.

Information

Based on an agreement with the **Czech Statistical Office the Ministry of Labour and Social Affairs of the Czech Republic** replaces the present indicator of registered unemployment in the Czech Republic from January 2013 by a new one called **Share of unemployed persons**, which expresses the share of unemployed job applicants aged 15 to 64 years of all residents of the same age. The new indicator is incomparable with the previous. More information available at: <http://portal.mpsv.cz/sz/stat>, http://portal.mpsv.cz/sz/stat/nz/zmena_metodiky.
