

## Papers

We publish articles focused at theoretical and applied statistics, mathematical and statistical methods, conception of official (state) statistics, statistical education, applied economics and econometrics, economic, social and environmental analyses, economic indicators, social and environmental issues in terms of statistics or economics, and regional development issues.

The journal of *Statistika* has the following sections:

The *Analyses* section publishes high quality, complex, and advanced analyses based on the official statistics data focused on economic, environmental, and social spheres. Papers shall have up to 12 000 words or up to twenty (20) 1.5-spaced pages.

The *Discussion* section brings the opportunity to openly discuss the current or more general statistical or economic issues; in short, with what the authors would like to contribute to the scientific debate. Discussions shall have up to 6 000 words or up to 10 1.5-spaced pages.

The *Methodology* section gives space for the discussion on potential approaches to the statistical description of social, economic, and environmental phenomena, development of indicators, estimation issues, etc. Papers shall have up to 12 000 words or up to twenty (20) 1.5-spaced pages.

The *Book Review* section brings further evaluation of selected titles of recent books from the official statistics field (published in the Czech Republic and abroad). Reviews shall have up to 600 words or up to 1 1.5-spaced page.

In the *Information* section we publish informative (descriptive) texts and also information on the latest publications issued (not only from the CZSO) as well as past and upcoming conferences. The maximum range of information is 6 000 words or up to 10 1.5-spaced pages.

## Tables

Provide each table on a separate page. Indicate position of the table by placing in the text "insert Table 1 about here". Number tables in the order of appearance Table 1, Table 2, etc. Each table should be titled (e.g. Table 1 Self-explanatory title). Refer to tables using their numbers (e.g. see Table 1, Table A1 in the Annex). Try to break one large table into several smaller tables, whenever possible. Separate thousands with a *space* (e.g. 1 528 000) and decimal points with a *dot* (e.g. 1.0). Specify the data source below the tables.

## Figures

Figure is any graphical object other than table. Attach each figure as a separate file. Indicate position of the figure by placing in the text "insert Figure 1 about here". Number figures in the order of appearance Figure 1, Figure 2, etc. Each figure should be titled (e.g. Figure 1 Self-explanatory title). Refer to figures using their numbers (e.g. see Figure 1, Figure A1 in the Annex).

Figures should be accompanied by the \*.xls, \*.xlsx table with the source data. Please provide cartograms in the vector format. Other graphic objects should be provided in \*.tif, \*.jpg, \*.eps formats. Do not supply low-resolution files optimized for the screen use. Specify the source below the figures.

## Formulas

Formulas should be prepared in formula editor in the same text format (Times 12) as the main text.

## Paper Submission

Please email your papers in \*.doc, \*.docx or \*.pdf formats to statistika.journal@czso.cz. All papers are subject to double-blind peer review procedure. You will be informed by our managing editor about all necessary details and terms.
