GOVERNMENT BUDGET APPROPRIATIONS OR OUTLAYS FOR R&D BY SOCIO-ECONOMIC OBJECTIVES (GBAORD) – ANNEX 1

NABS rev. 1992: List of socio-economic objectives at the 3-digit level

EXPLORATION AND EXPLOITATION OF THE EARTH

1. 1.0

General research

1.1 1.2 1.3 1.4 1.5 1.6 1.9	Mineral, oil and natural gas prospecting Exploration and exploitation of the sea-bed Earth's crust and mantle excluding sea-bed Hydrology Sea and oceans Atmosphere Other research on the exploration and exploitation of the Earth
2. 2.0 2.1 2.2 2.3 2.4 2.5 2.6 2.9	INFRASTRUCTURE AND GENERAL PLANNING OF LAND-USE General research General planning of land-use Construction and planning of building Civil engineering Transport systems Telecommunication systems Water supply Other research on the infrastructure and general planning of land-use
3. 3.0 3.1 3.2 3.3 3.4 3.5 3.6 3.7 3.8 3.9 3.10	CONTROL AND CARE OF THE ENVIRONMENT General research on the environment Protection of atmosphere and climate Protection of ambient air Solid waste Protection of ambient water Protection of soil and groundwater Abatement of noise and vibration Protection of species and habitats Protection against natural hazards Protection against radioactive radiation Other research on the environment
4.0 4.1 4.2 4.3 4.4 4.5 4.6 4.7 4.8 4.9	PROTECTION AND IPROVEMENT OF HUMAN HEALTH General research Medical research, hospital treatment, surgery Preventive medicine Biomedical engineering and medicines Occupational medicine Nutrition and food hygiene Drug abuse and addiction Social medicine Hospital structure and organisation of medical care Other medical research
5. 5.0 5.1 5.2 5.3 5.4 5.5 5.5.1 5.5.2 5.5.3 5.5.4 5.6 5.9	PRODUCTION, DISTRIBUTION AND RATIONAL UTILIZATION OF ENERGY General research Fossil fuels and their derivatives Nuclear fission Radioactive waste management including decommissioning with regard to fuel/energy Nuclear fusion Renewable energy sources Solar, thermal and photovoltaic energy Geothermal energy Water, wind and wave energy Research into biomass conversion Rational utilization of energy Other research on production, distribution and rational utilization of energy

Animal products Fishing and fish-farming Veterinary medicine Crops Forestry and timber production Food technology Other research on agricultural production and technology NDUSTRIAL PRODUCTION AND TECHNOLOGY General research Increasing economic efficiency and competitiveness Manufacturing and processing techniques Extraction and processing techniques Extraction and processing of non-energy mineral and derived products Products of the chemical industry Petrochemical and coal by-products Products of the chemical industry Petrochemical and coal by-products Manufacture of motor vehicles and other means of transport Manufacture of motor vehicles and other means of transport Manufacture of motor vehicles and parts (including agricultural tractors) Manufacture of all other equipment Electronic and related industries Electronic and related industries Manufacture of office machinery and apparatus Manufacture of office machinery and apparatus Manufacture of indic, television and communications equipment and apparatus Manufacture of inon-electronic and non-electrical machinery Manufacture of inon-electronic and non-electrical machinery Manufacture of offoch products and beverages All other instrument manufacture Manufacture of the op roducts and beverages Manufacture of the op roducts and beverages Manufacture of the medical and surgical equipment and orthopaedic appliances Manufacture of the op roducts and beverages Manufacture of the medical and surgical equipment and orthopaedic appliances Cultural activities Manufacture of society Social STRUCTURES AND RELATIONSHIPS General research Cultural activities Management of business and institutions Improvement of working conditions Cocial change, social processes and social conflicts Other research with regard to society EXPLORATION AND EXPLOITATION OF SPACE General research financed from Ministry of Education) Mathematics and computer sciences Delical structure of society Chemical sciences Chemical sciences Chemical sciences Chemical sciences Agricultural sciences Agricul	6. 6.0	AGRICULTURAL PRODUCTION AND TECHNOLOGY General research
