

## **14. ENERGY**

*Information on the **fuel and energy consumption** is measured in all industries of the national economy for incorporated enterprises.*

*Data on the fuel and energy consumption are observed in the group of enterprises with 20-99 employees only at selected enterprises (the share of the sample differs by industry) and in the group of enterprises with 100+ employees for all enterprises.*

*The **consumption** of individual **types of fuel** includes production and non-production consumption, including input and operating consumption in electricity and heat production processes and in fuel upgrading processes, including consumption of diesel oil and gasoline for intra-enterprise transport.*

**Consumption of electricity** also includes own consumption for the production of electricity.
