

INFORMATION ON THE REGIONAL WEBSITES

Other information on region is published on the Czech Statistical Office websites:

www.jihlava.czso.cz

The websites contain data in tables about region in the time series from the year 2000 and other information including overview of the prepared outputs in publications and databases according to thematic groups. Information is available by territorial breakdown: region, districts, administrative districts, towns and municipalities.

The data are available annually and in the selected groups quarterly.
