## Conferences

---

The **12<sup>th</sup> Global Forum on Tourism Statistics GFTS 2014** took place during **15–16 May 2014 in Prague, Czech Republic**. The event was organised jointly by the Ministry of Regional Development of the Czech Republic, the Czech Statistical Office, the Czech Tourism Board, the Statistical Office of the European Union (EUROSTAT) and the Organisation for Economic Cooperation and Development (OECD). The aim was to discuss major technical issues concerning the establishment of harmonised tourism statistics in an environment that strengthens co-operation among governments, the private sector, researchers, academics, OECD and EU member and non-member countries and international organisations. More information available at: <http://www.tsf2014prague.cz>.

The **21<sup>st</sup> International Conference on Computational Statistics COMPSTAT 2014** will be held **from 19<sup>th</sup> to 22<sup>nd</sup> August 2014** at the International Conference Centre in **Geneva, Switzerland**. The conference aims at bringing together researchers and practitioners to discuss recent developments in computational methods, methodologies for data analysis and applications in statistics. More information available at: <http://compstat2014.org>.

The **17<sup>th</sup> International Scientific Conference Applications of Mathematics and Statistics in Economics AMSE 2014** will take place **from 27<sup>th</sup> to 31<sup>st</sup> August 2014 in Jerzmanowice, Poland**. The purpose of the conference is to acquaint the participants of the conference with the latest mathematical and statistical methods that can be used in solving theoretical and practical economic problems. AMSE 2014 is organized by the University of Economics, Prague, Czech Republic (Faculty of Informatics and Statistics, Department of Statistics and Probability), Matej Bel University, Banská Bystrica, Slovakia (Faculty of Economics, Department of Quantitative Methods and Information Technology) and Wroclaw University of Economics, Wroclaw, Poland (Department of Statistics). More information available at: [www.amse.ue.wroc.pl](http://www.amse.ue.wroc.pl).

The **8<sup>th</sup> International Days of Statistics and Economics MSED 2014** will be held during **11–13 September 2014** at the University of Economics, **Prague, Czech Republic**, organized by the Department of Statistics and Probability and the Department of Microeconomics (University of Economics, Prague, Czech Republic), the Faculty of Business Economics (University of Economics with seat in Košice, Slovakia) and the ESC Rennes International School of Business (France). The aim of the conference is to present and discuss current problems of Statistics, Demography, Economics and Management and their mutual interconnection. More information available at: [mzed.vse.cz](http://mzed.vse.cz).

The **60<sup>th</sup> World Statistics Congress ISI 2015** will take place during **26–31 July 2015 in Rio de Janeiro, Brazil**. The congress will bring together members of the statistical community to present, discuss, promote and disseminate research and best practice in every field of Statistics and its applications. More information available at: <http://www.isi2015.ibge.gov.br>.
