

A2 Share of standard output in principal types of farming

General type of farming	Principal type of farming	Share of standard output in principal types of farming on the total standard output
1. Specialist field crops	15. Specialist cereals, oilseeds and protein crops	Cereals, oilseeds, dried pulses and protein crops > 2/3
	16. General field cropping	General cropping > 2/3; cereals, oilseeds, dried pulses and protein crops ≤ 2/3
2. Specialist horticulture	21. Specialist horticulture indoor	Fresh vegetables, melons and strawberries — under glass > 2/3, flowers and ornamental plants under glass > 2/3
	22. Specialist horticulture outdoor	Fresh vegetables, melons and strawberries market gardening, flowers and ornamental plants outdoor > 2/3
	23. Other horticulture	Horticultural holdings with horticulture indoor ≤ 2/3 and horticulture outdoor ≤ 2/3
3. Specialist permanent crops	35. Specialist vineyards	Vineyards > 2/3
	36. Specialist fruit and citrus fruit	Fruit and berries and citrus fruit > 2/3
	37. Specialist olives	Olives > 2/3
	38. Various permanent crops combined	Holdings in class 3, excluding those in classes 35, 36 and 37
4. Specialist grazing livestock	45. Specialist dairying	Dairy cows > 3/4 of total grazing livestock; grazing livestock > 1/3 of grazing livestock and forage
	46. Specialist cattle – rearing and fattening	All cattle > 2/3 of grazing livestock; dairy cows ≤ 1/10 of grazing livestock; grazing livestock > 1/3 of grazing livestock and forage
	47. Cattle – dairying, rearing and fattening combined	All cattle > 2/3 of grazing livestock; dairy cows > 1/10 of grazing livestock; grazing livestock > 1/3 of grazing livestock and forage; excluding those holdings in class 45
	48. Sheep, goats and other grazing livestock	All cattle ≤ 2/3 of grazing livestock
5. Specialist granivores	51. Specialist pigs	Pigs > 2/3
	52. Specialist poultry	Poultry > 2/3
	53. Various granivores combined	Holdings in class 5, excluding those in classes 51 and 52
6. Mixed cropping	61. Mixed cropping	General cropping and horticulture and permanent crops > 2/3 but {general cropping ≤ 2/3 and horticulture ≤ 2/3 and permanent crops ≤ 2/3}
7. Mixed livestock holdings	73. Mixed livestock, mainly grazing livestock	Grazing livestock and forage and granivores > 2/3; grazing livestock and forage ≤ 2/3; granivores ≤ 2/3
	74. Mixed livestock, mainly granivores	Grazing livestock and forage ≤ Granivores
8. Mixed crops – livestock	83. Field crops – grazing livestock combined	General cropping > 1/3; grazing livestock and forage > 1/3
	84. Various crops and livestock combined	Holdings in class 8, excluding those in class 83
9. Non-classified holdings	90. Non-classified holdings	Total Standard Output = 0
