- Population
 - number, sex, age groups, activity (yes/no), education (3 levels)
- Households
 - number, size
- Dwellings
 - number, area (classes)
- Buildings
 - number, age (classes)

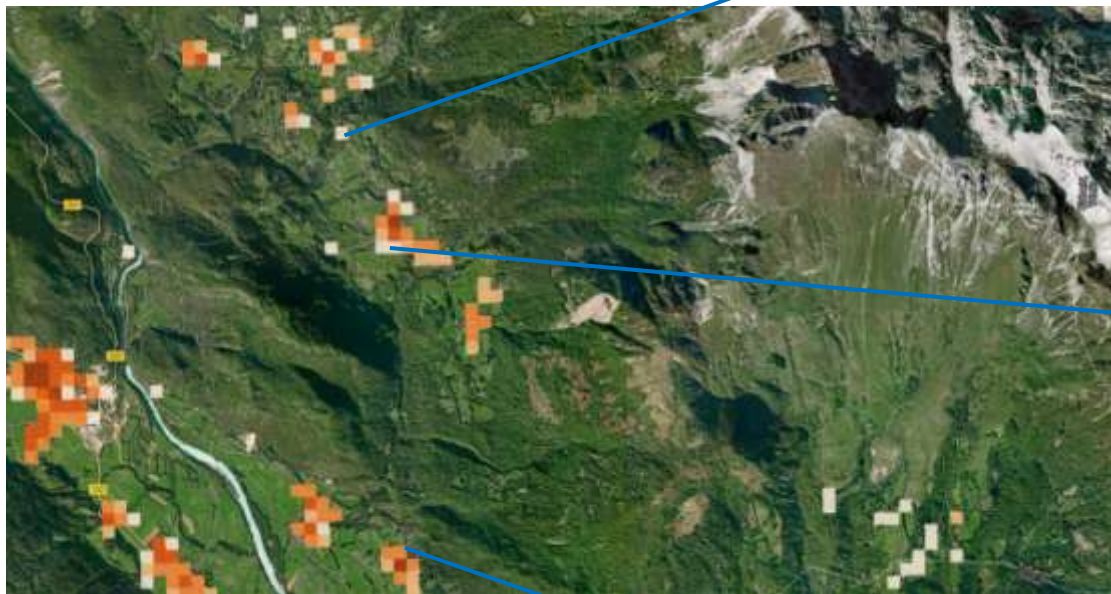

Settlements:

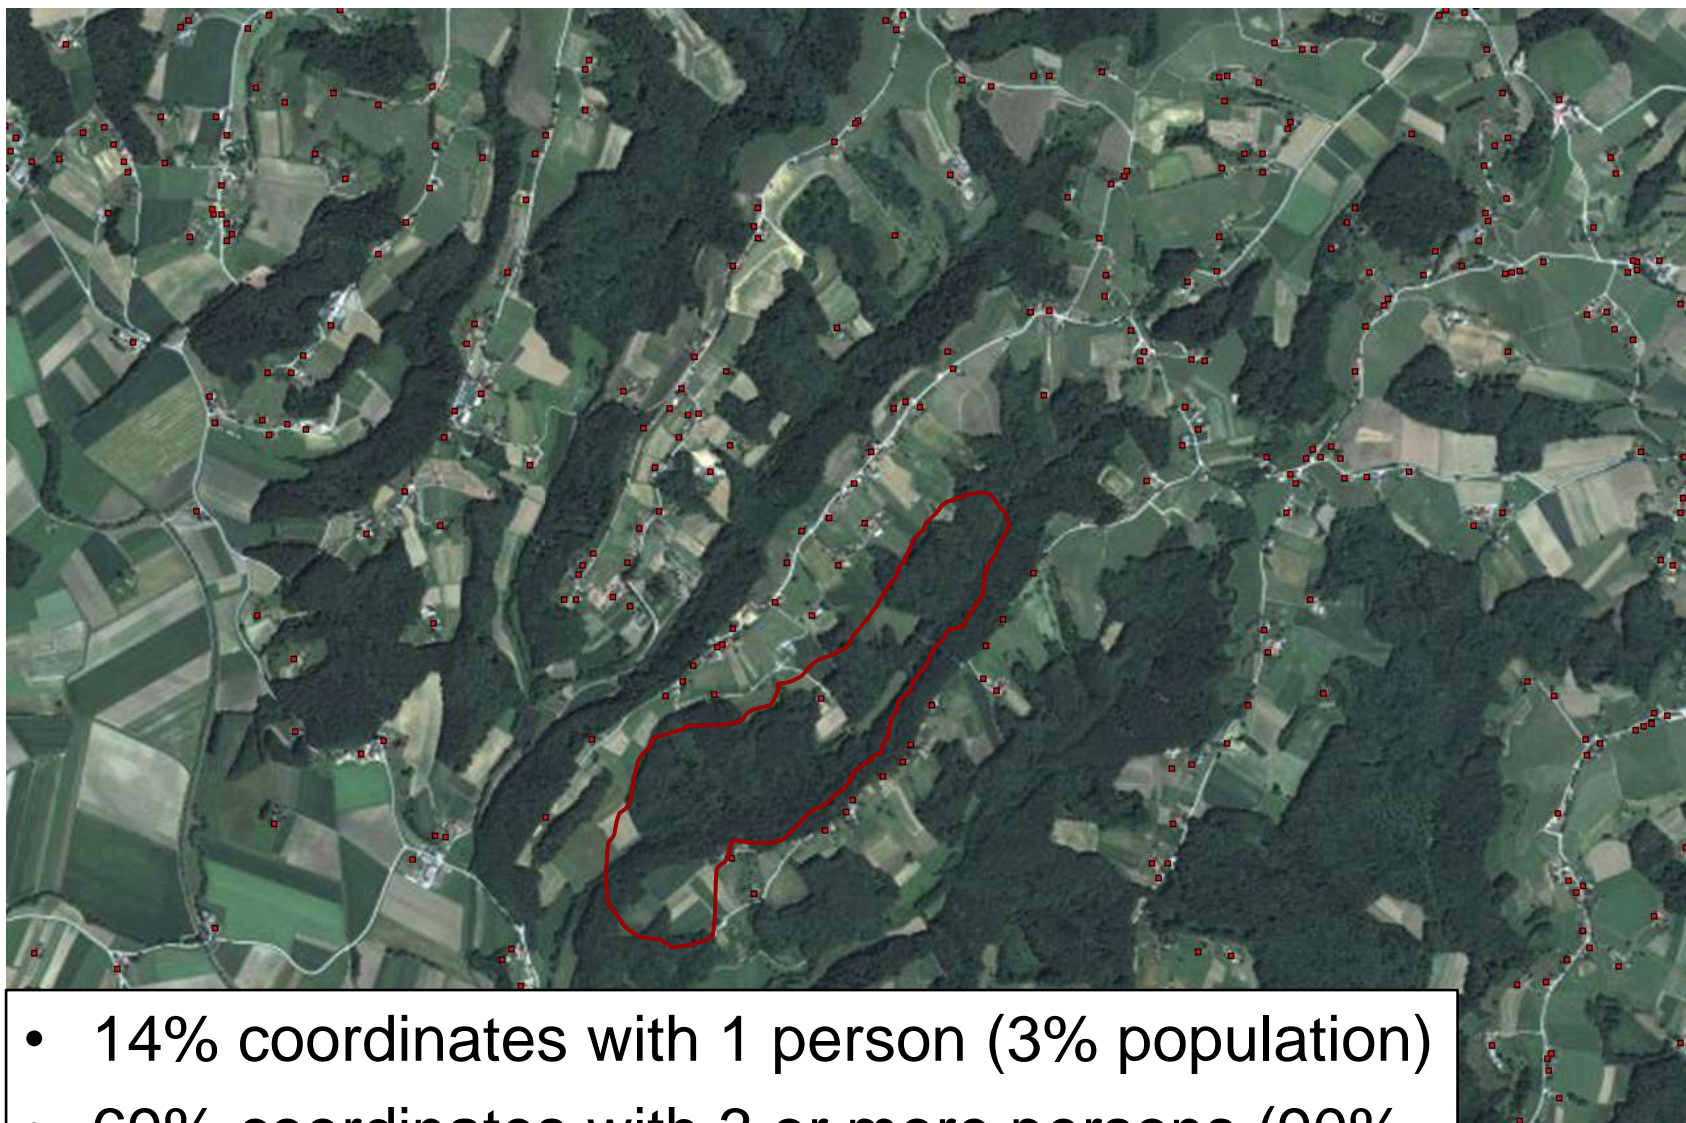

- 51 with 1 populated coordinate
- 89 with 3 populated coordinates

52% cells with 1 coordinate (17% population)

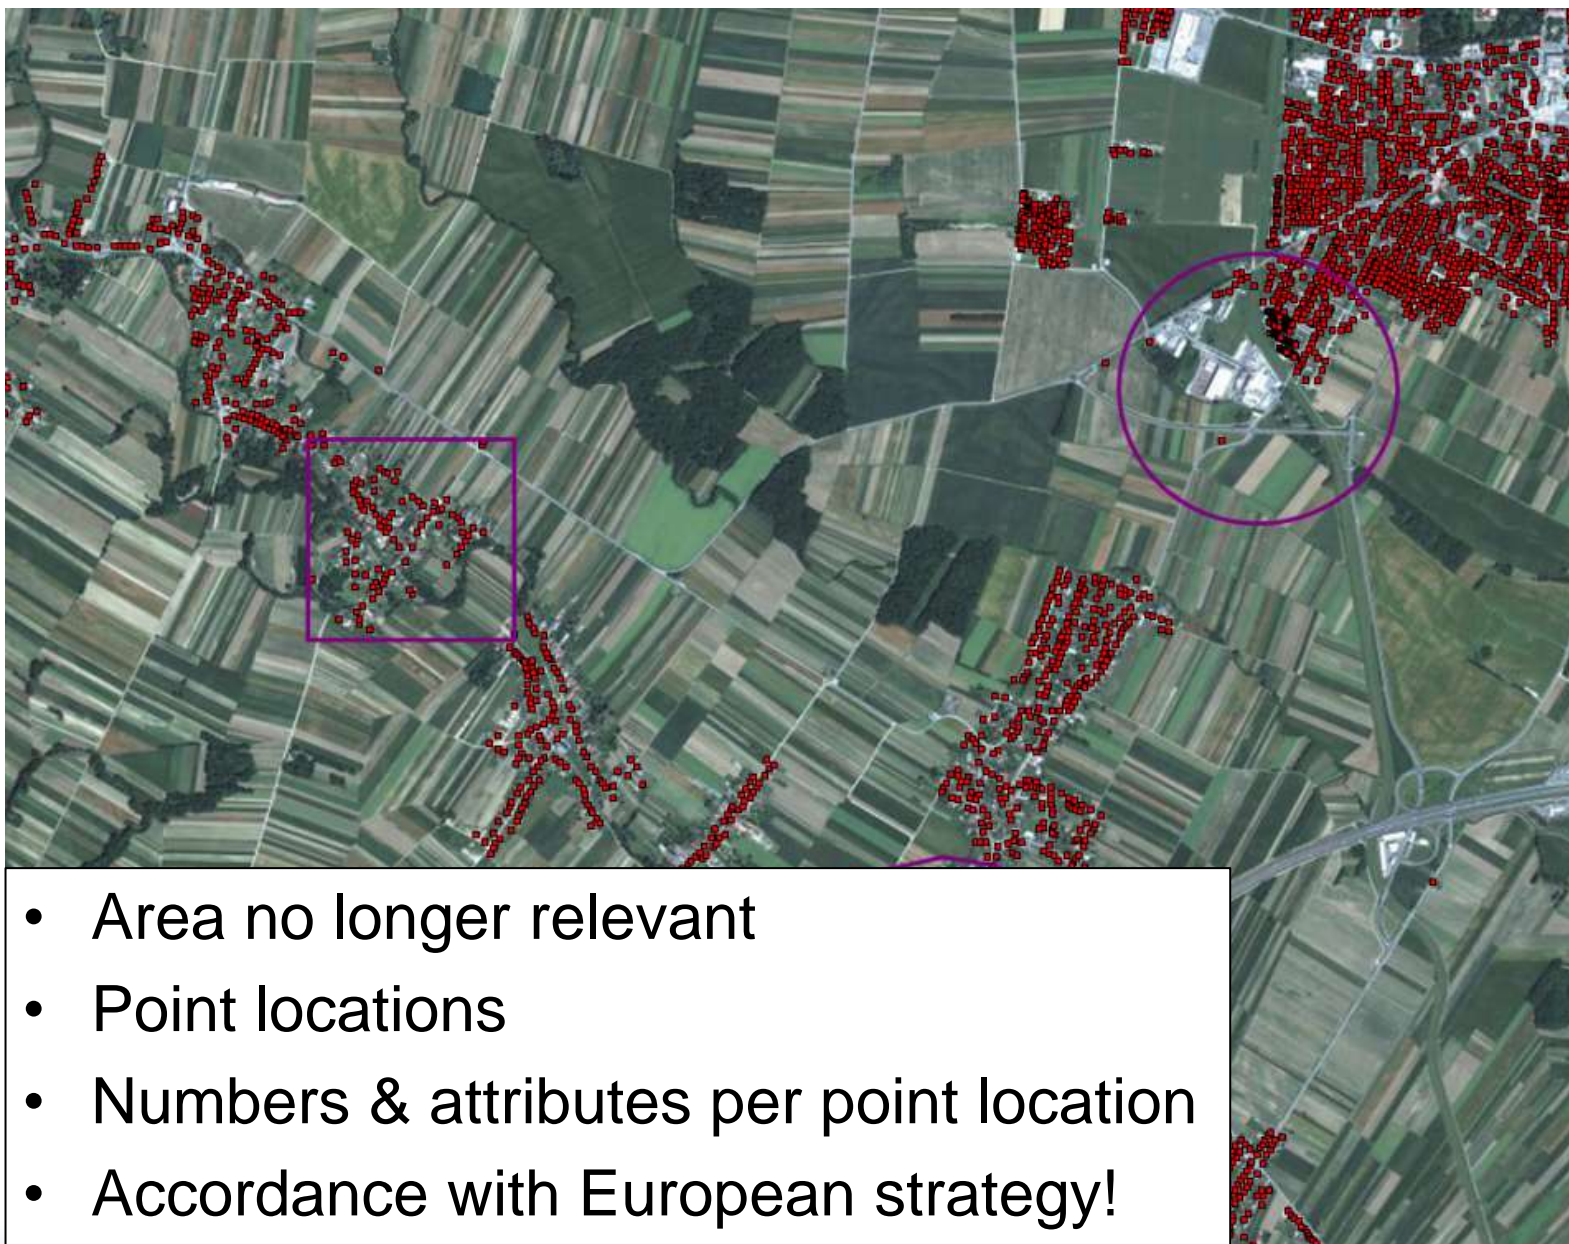

9% cells with 1 coord. & 1 person (0.7% population)

63 cells with 3 coordinates & 3 persons
9% cells with 3 or more coordinates (70% population)

- 14% coordinates with 1 person (3% population)
- 69% coordinates with 3 or more persons (90% population)
